Dear Ms. Griffiths:

**Re: Joint Panel Hearings – Marathon PGM-Cu Project; Response to letter from Panel dated 29 Jan 2014 requesting SCI provide its views on the concerns expressed in the letter from Lake Superior Binational Forum, Environment North, Northwatch and MiningWatch Canada, dated 27 January 2014.**

The referenced letter correctly identifies that the Feasibility Study is not yet complete. We are not able to respond until such time that the work is complete

Yours sincerely,
