Subject: Re: Pacific Northwest LNG on Lelu Island

My Letter Dear Catherine McKenna

My heart bleeds for our Salmon and for clean waters which we are destroying from our greed. My vote stands with the Lax Kw'alaams First Nations and for further generations that will inherit our fortunes and misfortunes.....lets HOPE that we can outweigh the misfortunes and help to clean our environment before it is too late....It starts with me, walking softly on the earth and weaning my needs.

Sincerely,

Joan F. Clarke
