My Letter Please do your utmost to protect our sacred wild salmon of the Skeena River, it is our medicine, and our main food source, as indigenous peoples of this only uncaded province of Canada, now called British Columbia. Many of us, stand up for the wild salmon, as the wild salmon cannot speak for themselves. You were elected by the people to stand up for the people, and not stand beside the corporations, who are only destroying our lands and waters, with no regard for the future. Protect our sacred wild salmon of BC, Canada.
