Ottawa, ON. K1A 0H3

Dear Sirs/Madams,

**Re: Roberts Bank Terminal 2 Project Environmental Assessment**

I am writing on behalf of the Penelakut Tribe to advise that Penelakut Tribe supports and consents to the Vancouver Fraser Port Authority's proposed Roberts Bank Terminal 2 Project, a marine container terminal which is being assessed for environmental effects.

The Penelakut Tribe understands that the location of the proposed marine terminal and the container ships travelling to and from the terminal are within their asserted traditional territory.

The Penelakut Tribe acknowledges and agrees that it is satisfied with the mitigation measures provided by Vancouver Fraser Port Authority in respect of the environmental effects of the Roberts Bank Terminal 2 Project and associated marine shipping, agrees that there has been adequate consultation and accommodation of its Aboriginal or treaty rights, title and interests for the Project and associated marine shipping and further supports the granting of each and every certificate, authorization and permit necessary for the Project and associated marine shipping.

If you have any questions regarding this letter of support please do not hesitate to contact me at Jim Chisholm, Band Manager.

Sincerely,

<Original signed by>
