6- Activities and Public Participation Approach	Table 6.1 Phase 2: Impact Statement	(under Expected Activities) “Agency hosts in-community open houses (information sharing and discussion events) in key municipalities including Thunder Bay and Geraldton to discuss the proponent’s Impact Statement...”	Please confirm whether locations of in-community open houses are limited to Thunder Bay and Geraldton. <u>Viewing centres</u> for documents have been identified as being in Thunder Bay, Geraldton, Nakina, Pickle Lake, Timmins and Sioux Lookout.
6- Activities and Public Participation Approach	General		For confirmation, during which specific process phases does the Agency expect the proponent to attend in-community meetings?  To facilitate our current budget reforecasting activities, kindly provide the Webequie Project Team with an estimate of the number of such activities during the Impact Statement and Impact Assessment phases, as well as the general timing, if possible.
6- Activities and Public Participation Approach	General		Will the Agency be responsible for printing of materials (i.e., maps) they request of the proponent as part of their consultation with Indigenous groups?
