Impact Assessment Agency of Canada,

This letter is being submitted on behalf of the District of Kitimat Council in support of the Government of British Columbia's request to substitute the provincial environmental assessment process of the Cedar LNG project under B.C.'s Environmental Assessment Act for the federal impact assessment.

In an open meeting of Council on October 15th, 2019, District of Kitimat Council resolved:

THAT a letter be provided to the Impact Assessment Agency of Canada stating the District of Kitimat's support of the Government of B.C.'s request to substitute the provincial environmental assessment process of the Cedar LNG project under B.C.'s Environmental Assessment Act for the federal impact assessment;

AND THAT a request to be an "interested party" for the Cedar LNG project be submitted to the Impact Assessment Agency of Canada;

Please feel free to contact me if you have any questions.

Sincerely,
