

Comment Number	Reviewer	Reviewer Affiliation	Document	Comment/Concern	Request
1	Chris Apps	Kitselas Lands and Resources Department	Cedar LNG Project Description	The blow comment pertains to the project description provided by Cedar LNG: Kitselas information is identical to Kitsumkalum information. Please note that although there are historical and cultural ties between the two communities, these are separate Nations	Please include correct information for Kitsumkalum First Nation
2	Chris Apps	Kitselas Lands and Resources Department	Cedar LNG Project Description	The blow comment pertains to the project description provided by Cedar LNG: Description of IR1 and IR6 location is incorrect. IR1 is located in Kitselas Canyon and IR6 is located outside of Terrace	Please revise with current information
3	Chris Apps	Kitselas Lands and Resources Department	Cedar LNG Project Description	The blow comment pertains to the project description provided by Cedar LNG: No list of project components is provided (i.e. new 8km segment of pipe)	Please provide a list of all project components
