1. Has your department or agency considered whether it has an interest in the Projects; exercised a power or performed a duty or function under any Act of Parliament in relation to the Projects; or taken any course of action (including provision of financial assistance) that would allow the Projects to proceed in whole or in part?

TC has reviewed the February 21, 2020 application to the Alberta Energy Regulator for the Vista Test Underground Mine. Based upon this review, TC has determined it has no interest in the project as proposed.

TC has reviewed the April 6, 2020 application filed by Coalspur Mines (Operations) Ltd. with the Alberta Energy Regulator. Based upon the information filed to date, it does not appear that TC has an interest in the project.

-
2. Is it probable that your department or agency may be required to exercise a power or perform a duty or function related to the Projects to enable it to proceed?

No.

-
3. If your department or agency will exercise a power or perform a duty or function under any Act of Parliament in relation to the Projects, will it involve public and Indigenous consultation?

N/A.

-
4. Has your department or agency had previous contact or involvement with the proponent or other parties in relation to the Projects?

No.
