Submitted to the Impact Assessment Agency of Canada Registry for the Sugar Creek Peat Harvesting Project

Subject: Health Canada's Request for Input on the Designation Request of the Sugar Creek Peat Harvesting Project

Dear Jennifer Dallaire,

Thank you for your email dated October 25, 2022 requesting Health Canada's comments on the designation request for the Sugar Creek Peat Harvesting Project.

Health Canada participates in the impact assessment process as a federal authority under the *Impact Assessment Act*, upon request. Health Canada makes available specialist/expert information or knowledge in their possession to responsible authorities and review panels, among others. Health Canada does not make decisions or issue licenses, permits, or authorizations in relation to the impact assessment of a development project.

Health Canada has provided its comments for your consideration in the attached document.

Should you have any questions concerning Health Canada's comments, please contact the undersigned.

Sincerely,
