Comment ID	Document Reference	Context and Background	Instructions to Proponent
<i>Example:</i> TC-01	<i>Example:</i> Initial Project Description Part D, section 17 Pg. 11	<i>Example:</i> The proponent has identified the Navigation Protection Act under the list of federal powers, duties, or function; however, the section appears to be consistent with changes to the legislation introduced in 2019.	<i>Example:</i> In 2019, the Navigation Protection Act was amended and renamed the Canadian Navigable Waters Act please ensure that the correct title is used.
MCM-03	Initial Project Description Section 16.3.2 and 25.1	As of October 2022 responsibility for cultural heritage matters within the Government of Ontario has been transferred from the Ministry of Tourism, Culture and Sport (MTCS) to the Ministry of Citizenship and Immigration. These sections still refer to MTCS in the context of cultural heritage.	Replace MTCS with MCM when used in the context of the Ontario government’s cultural heritage programs, documents and functions.
MCM-04	Initial Project Description Section 16.3.2	The term “cultural landscape(s)” is used in several instances that appear to be referring to cultural heritage landscape(s). Cultural landscape is not a defined term in cultural heritage policy and may be misleading.	Replace “cultural landscape” with “cultural heritage landscape” in each instance in Section 16.3.2. Depending on intent, it may or may not be appropriate to make the same change in Section 16.4.2 and Table 25-1.

Please insert additional rows as necessary.
