Dear Andrew Clarke:

RE: 84552– Environment and Climate Change Canada’s (ECCC) Federal Authority Advice Record (FAAR) for the proposed De Havilland Field Project

Environment and Climate Change Canada has reviewed 2150038 Alberta Incorporated’s Initial Project Description for the proposed De Havilland Field Project as requested by the Impact Assessment Agency of Canada in a May 8, 2023 letter. Our FAAR response is attached.

Our advice is based on ECCC’s mandate under the *Species at Risk Act*, the *Migratory Birds Convention Act*, the pollution prevention provisions of the *Fisheries Act* and the *Canadian Environmental Protection Act, 1999*.

Your one-window contact for coordination of ECCC’s participation in this project is Heather Konopski, email heather.konopski@ec.gc.ca. Please also address electronic correspondence to the ECCC Prairie and Northern Region EA Generic Inbox at EASouthPNR@ec.gc.ca.

Sincerely,

<original signed by>

Andrea McLandress
