Subject: Designation Request for the Proposed Ontario Place Redevelopment Spa Complex and Underground Parking Garage under the Impact Assessment Act

Mrs. Puvananathan,

This letter refers to the subject above and follows the letter addressed to the Huron-Wendat Nation's Grand Chief, Mr. Rémy Vincent, on October 5th, 2023.

Regarding the designation request for the above-mentioned projects, the Huron-Wendat Nation (HWN) does not have any specific comments to express at this point. The HWN has archaeological interest in the area. We therefore request to be consulted and implicated in any archaeological fieldwork or studies for these projects. If the projects were to be designated under the Impact Assessment Act, the HWN wants to be consulted by IAAC and the proponents.

If you have any questions, please address them directly to Lori-Jeanne Bolduc at lori-jeanne.bolduc@wendake.ca.

Please accept, Mrs. Puvananathan, assurances of my highest consideration.
