

**Comment Form – Draft Cooperation Plan and Draft Integrated Tailored Impact Statement Guidelines – Provincial Review Team**

**Bruce C Nuclear Project**

**Response required by: July 11, 2025**

All comments should be submitted via the Submit a Comment feature available on the Project’s Canadian Impact Assessment Registry page (<https://iaac-aeic.gc.ca/050/evaluations/proj/88771?culture=en-CA>). Documents can be uploaded using this feature. If you have any difficulties submitting this way, please contact the Registry directly at [registry-registre@iaac-aeic.gc.ca](mailto:registry-registre@iaac-aeic.gc.ca). All comments submitted using this form will be posted on the Registry website for the Project.

Please note that this is your opportunity to tailor the draft Tailored Impact Statement Guidelines.

**Section 1 – Draft Cooperation Plan:**

1. Indicate whether your Ministry or office has identified any legislative and regulatory oversight that may apply to the Project and/or incidental activities related to the Project, under the authority of your Ministry or office.

**Insert response here:**

**Emergency Management and Civil Protection Act, R.S.O. 1990, c. E.9**

**Lieutenant Governor in Council to formulate plan**

**8** The Lieutenant Governor in Council shall formulate an emergency plan respecting emergencies arising in connection with nuclear facilities, and any provisions of an emergency plan of a municipality respecting such an emergency shall conform to the plan formulated by the Lieutenant Governor in Council and are subject to the approval of the Solicitor General and the Solicitor General may make such alterations as he or she considers necessary for the purpose of co-ordinating the plan with the plan formulated by the Lieutenant Governor in Council. R.S.O. 1990, c. E.9, s. 8; 1999, c. 12, Sched. P, s. 6.

**What plan may provide**

**9** An emergency plan formulated under section 3, 6, 6.0.1 or 8 shall,

- (a) in the case of a municipality, authorize employees of the municipality or, in the case of a plan formulated under section 6 or 8, authorize public servants to take action under the emergency plan where an emergency exists but has not yet been declared to exist;
- (b) specify procedures to be taken for the safety or evacuation of persons in an emergency area;
- (c) in the case of a municipality, designate one or more members of council who may exercise the powers and perform the duties of the head of council under this Act or the emergency plan during the absence of the head of council or during his or her inability to act;
- (d) establish committees and designate employees to be responsible for reviewing the emergency plan, training employees in their functions and implementing the emergency plan during an emergency;
- (e) provide for obtaining and distributing materials, equipment and supplies during an emergency;
- (e.1) provide for any other matter required by the standards for emergency plans set under section 14; and
- (f) provide for such other matters as are considered necessary or advisable for the implementation of the emergency plan during an emergency. R.S.O. 1990, c. E.9, s. 9; 2002, c. 14, s. 13; 2006, c. 35, Sched. C, s. 32 (5); 2022, c. 11, Sched. 1, s. 7.

2. In the table below, please provide all applicable provincial EA requirements, permitting and/or approval requirements that may apply to the Project and/or incidental activities related to the Project, under the authority of your Ministry or office.

Provincial Ministry or Office (e.g., Ministry of Environment, Conservation and Parks)	Regulatory Mechanism (Identify applicable provincial EA, permitting or approval requirements)	Reference (Provide link with additional information on provincial regulatory mechanism identified)

**Section 2 – Draft Tailored Impact Statement Guidelines:**

If any legislative and regulatory oversight that may apply to the Project and/or incidental activities related to the Project, under the authority of your Ministry or office, was identified in Section 1:

1. Please review the draft Tailored Impact Statement Guidelines (the Guidelines) sections that are applicable to your Ministry’s or office’s mandate.
2. Using the table below, given the context of the Project, please provide any comments and include your recommendation for how the final Tailored Impact Statement Guidelines should be adapted to address information requirements of your Ministry’s or office’s regulatory mechanisms in order to reduce duplicative provincial and federal requirements.
  - Please indicate any corrections, additions or deletions that should be made to the text including considerations of submissions from Indigenous Nations and communities that are relevant to your Ministry’s or office’s expertise. Please provide a clear context and rationale for your recommendations, including how their implementation would help focus the assessment on key issues relevant to federal decision-making.
  - Provincial expert advice should be solution oriented and commensurate to the context of the Project. Advice should be informed by risk-based prudence and evidence in the proponent’s Initial Project Description<sup>1</sup> Response to the Summary of Issues<sup>2</sup>, and publicly available information, with a strong reliance on well-understood mitigation measures, existing guidance, and regulatory instruments that will manage effects.

Ministry – Comment ID (e.g., MECP-01)	Draft Guidelines Section	Context and Rationale (provide an explanation of your comments)	Recommendation: provide text to be inserted or deleted. Be specific on the location within the draft Guidelines that the text would be added/deleted.
MEPR-01	Section 12.3	The proponent will have a response plan however this plan needs to align with the Provincial Nuclear Emergency Response Plan and the	Consider adding a bullet to reflect the proponent will identify any impacts to existing provincial plans.
