RESOLUTION

Resolution # 2026-051

Agenda Item # 14.2 Regular Meeting

Moved By : Claudette Gravelle

Seconded By : Peggy Harrison

WHEREAS the Nuclear Waste Management Organization has initiated the federal Impact Assessment process for its proposed deep geological repository at the Revell site in northwestern Ontario;
AND WHEREAS the Initial Project Description excluded the long-distance transportation of high-level radioactive waste, which is expected to pass through or near communities in Northeastern Ontario;
AND WHEREAS the Township of Armstrong recognizes that the transportation of high-level radioactive waste may present safety, environmental, and infrastructure concerns for municipalities along the route;
THEREFORE BE IT RESOLVED THAT the Township of Armstrong requests that the Impact Assessment Agency of Canada include the transportation of high-level radioactive waste in all future stages of the federal impact assessment process for the NWMO project (Reference No. 88774);
AND THAT the Township be added to the distribution list for all future notices and comment opportunities related to this project;
AND THAT this resolution be sent to the Impact Assessment Agency of Canada, the Honourable Jonathan Wilkinson, Minister of Energy and Natural Resources, MP Pauline Rochefort, MPP John Vanthof, and Northwatch.
