RE: 89488 – York Factory First Nation Ten Shilling Aerodrome Project – Environment and Climate Change Canada’s (ECCC) Federal Authority Advice Record (FAAR)

To the Impact Assessment Agency of Canada (IAAC):

Environment and Climate Change Canada have completed a review of the Initial Project Description for the York Factory First Nation Ten Shilling Aerodrome Project proposed by York Factory First Nation. We are providing comments for IAAC’s consideration.

Our expert advice is based on ECCC’s mandate in the context of subsection 36(3) of the *Fisheries Act*, the *Species at Risk Act*, the *Migratory Birds Convention Act, 1994*, the *Canadian Environmental Protection Act, 1999*, and their relevant regulations.

Please contact, Leah Dirk, Acting Environmental Assessment Officer at 306-514-2363 or Leah.Dirk@ec.gc.ca if you have any questions or concerns.

Sincerely,
